The house fly is recognized as one of the greatest carriers of disease that we have to contend with in this country and it is proposed to put on a campaign thru the schools of the county to bring about a real movement toward "swatting the fly" in every section of Fayette county. A premium will be offered for the best written plan offered for destroying flies.

Fayette county friends of Frank Buford Jr. are grieved to learn of his serious illness at his home in Memphis. He left here last Saturday afternoon and drove to Memphis, and arrived at his home before inmates of the home had retired. Going to his room he was not heard from until about 9 Sunday morning when groans were heard from his room. Investigation found him unconscious and he remained in that condition for many hours in spite of the efforts of physicians to help him. At last reports from his bedside he was slightly improved and was conscious at times, though the improvement was so slight that it could hardly give hope of recovery. His uncle, E. C. Boswell, visited him the first of the and found him dangerously ill. His father, Hon. F. G. Buford, is quite feeble at the home of his daughter, Mrs. Mrs. Major, in Mississippi.

Unable to Gain Strength After Operation

Fredericksburg, Va.—"After I had gone through a very serious operation I could not regain my health and strength. I suffered with pains and aches all over and was also very nervous. My mother advised my taking Dr. Pierce's medicine. I took the 'Favorite Prescription' and the 'Golden Medical Discovery', alternately, and they soon built me up and seemed to give me new life. I heartily recommend these medicines to women who suffer with any sort of weakness."—MRS. W. S. COX, 308 Hanover St. All druggists.

One of the most important things to be considered by the county court at its meeting next Tuesday in regular quarterly session will be passing on the appropriation for the salary of the farm agent for this year. Efforts of citizens have made it possible for him to continue his work from January to the present time and it is up to the court at its April meeting to pass on the appropriation for the balance of the year. Citizens who favor the appropriation should let the members of the court know they approve it.

TAKEN UP—One sorrel mare mule, 13+ hands high, from appearance about 15 years old, in fair shape. W. H. C. e. e., Gallaway Tenn. 4-15

This Bank Has Grown

The Somerville Bank & Trust Company is next to the youngest bank in the county, started business eleven years ago with a paid capital of \$10,000 and has increased that paid capital to \$25,000 without the stockholders paying any more money, the \$15,000 additional capital being taken from the accumulated net earnings from time to time. The capital stock, \$25,000, is now fully paid, making this the second largest bank in the county. On the progressive and business-like plan which has made this growth possible, we invite the business of Fayette county people.
